Left Beaufort in fall of 1965 for Virginia Military Institute. A few wrong answers on a couple of important quizzes put me on the road, so to speak. Joined the Marine Corps Reserve, picked up a geology degree from Georgia Southern, married the most patient and loving woman in the world, Taffy, and finally obtained a degree in civil engineering from Georgia Tech. Headed west and worked thirty-seven years at a nuclear plant in Bay City, TX. I have two wonderful children, a son in Houston and a daughter in Tucson, AZ. I have three grandsons, all of whom truly believe that I once fought with pirates!

Graduated from Ole Miss in 1969. Married Bette Litchfield in 1968. Served 26 years in the Navy (they let me command a ship); retired in 1995. Returned to Beaufort in 1996 and went to work for Beek. In 1999 went to work for Beaufort County Public Works as the "trash guy". Became the PW Director in 2001. Plan to retire in January. We have four children, two daughters and two sons, and nine grandchildren, two boys and seven girls with one on the way. Motto: A man cannot have too many guns, boats, or granddaughters.

I attended Methodist University after high school then worked for Ragsdale Chevrolet Cadillac GMC dealer in Beaufort, SC and then went into the merchant marines for two years. I then came home and went to work for United Telephone Company at which time I became engaged and married Merri Ulmer in 1972. We had a daughter, Freida Anne Bellis, in 1976 and in 1978 we had a son, Christopher Adam Bellis. I became employed at Parris Island, SC as a civil servant in the telephone office. I retired with 33 years of service in 2010. In 1980, I became a member of the ARC and was elected to their Board of Directors and, after 12 years, I stepped down from the Board.

I graduated with a BS in History from Winthrop College and taught history at Sumter High School for two years before moving to Columbia. I married my high school sweetheart, Bill Sullivan, in 1969. In 1971, I began working for South Carolina Electric & Gas Company. We moved to Walterboro where we lived for 20 years at which point I was transferred to Beaufort and back to Columbia two years later. Bill and I divorced in 2001. In February of this year, I retired from SCE&G after 43 years. I have one daughter, three sons, three grandchildren, and three great grandchildren.

I graduated from the Citadel in Civil Engineering. I served 4 years active duty with the Navy and then served 20 years in the Navy Reserves. I have spent my entire career in construction, both commercial and residential; the last 28 years with a high end Residential Contractor in Northern California. I built high end estates in California, Hawaii and New York. I have been married to my beautiful wife, Jane, for 44 years and we have two wonderful children, Jason and Amy. We have one granddaughter. Jane and I enjoy travel, water sports and kayaking.

Born 7 January 1947 in Beaufort, South Carolina to Van S and Gertrude P Brown. Traveled around the world as an Army Child and returned to Beaufort in the 5<sup>th</sup> grade. Completed the University of South Carolina. First job out of college was in Charleston, SC working in Child protective services. Married in May of 1973 and moved to Fort Worth, Texas for five years. My first son was born while living in seminary married student housing at Southwestern Baptist Theological Seminary. Worked as a medical social worker at John Peter Smith Hospital for 4 years. Moved to Gary, Indiana for my husband's first pastorate. I had three children while there after which we returned to South Carolina to live. Worked with Child protective services, substitute teaching, Head Start and the CODA Shelter. Then began working for the Department of Defense as a victim advocate. Lived in Germany a total of 7 years, New York City 2 years, and Washington DC Area 8 years for a total of 22 years working with the Marines and the Army. I am Nana Judy to two grandsons and one granddaughter. I have one married son and two single sons and one single daughter. Retirement is my next adventure in life.

After graduation from BHS, I attended USC and graduated with a BA in French. I later married Fred Riddle, we have two married daughters, Allison and Jennifer. Fred worked with the Richland County Sheriff's Department and I went to work for the Forest Acres Police Department as the Clerk of Court for thirty years. I retired in June and have been traveling with Fred, who now works with NAMI. When we are not traveling the country for NAMI, we are spending time with our children, grandchildren, and our friends. Our life is truly wonderful.

I retired two months ago from Dolphin Head Golf Club on Hilton Head after 30 years as a Class A PGA golf professional. Live in the historic section of Bluffton, have two daughters in North Augusta and Seattle and a stepson in Harrisburg, PA, and 4 grandchildren. I have been divorced for 15 years. Have been traveling to Maine, New York and Germany, but now will look for part time work for a couple of days a week for something to do until next travels.

Clifton L. (Lucky D) Daniels, Jr. I reside in Columbia with my wife, Jo, of 18 years. Together we have 7 children, 16 grandchildren, and 1 great grandchild. I attended East Carolina and Palmer College. I retired in 1998 with the Bilton family chain of automobile dealerships. Jo retired from BC/BS in 1998. I have had a wild, crazy pretty much fantastic life since 1965. I have been married 3 times. 14 years, 10 years and 18 years respectively. All great gals. They and their families are still a great part of what I lovingly refer to as my family orchard. I could not have been blessed more in this past 50 years. Life has been a gas and I'm just getting started.

I am divorced and living in my family home here in "good ole" Beaufort. I worked as a real estate

paralegal until I retired in 2012 and now work part time as cashier at Bi-Lo. I have two beautiful grandchildren, Emily Grace, age 6, and Christopher, age 3, who reside with my wonderful son, James, and his beautiful wife, Jen, in Cincinnati, OH. I have two four-legged children (Buck and Gunner) who make my life so enjoyable. I am still painting landscapes and learning new techniques as I keep striving to improve my art. I still love our coastal waters and fishing, either saltwater or freshwater. I don't have a claim to fame, but I do enjoy spending time with my sister, Phyllis, and our Tidal Wave Class of 65 classmates, who mean the world to me. Heck, I am still trying to figure out what I want to do when I grow up!

After 44 years full time employment in the nursing profession I am enjoying full time retirement in Anderson, S.C...especially no weekends, nights, holidays or on call schedules to coordinate! I graduated from St Joseph's Hospital School of Nursing, Savannah, GA and earned my Master's Degree from LSU Medical Center in New Orleans. I have a wonderful son and daughter-in-law living in Greenville, S.C. In retirement I am enjoying golf, reading, cooking and sewing and tolerating never ending yard work.

I left Beaufort at the end of 11<sup>th</sup> grade because my father was transferred to Quantico, Va, where I actually graduated. But Beaufort High was always my heart school, so my loyalty remains there. After graduation, I went to Smith College, in Northampton, MA where I met my husband Edward (Ted) Gundy, Dartmouth '68. We were married three weeks after I graduated and moved to New York City. He attended Union Theological Seminary while I worked for First National City Bank.

It was quite a tumultuous time, with the Vietnam War, Kent State, etc. After three years in seminary, my husband switched gears and went to Cornell Medical School and then Hospital for Special Surgery to pursue orthopedic surgery. During this time I got my Counseling Psychology degree from Columbia and began to work as a guidance counselor in Westchester County schools.

We moved to Rye, New York, where my husband grew up (obviously I married "roots"). After my children were in elementary and high school, I went back for my post graduate degree in Marriage and Family therapy, and have had a private practice now for 33 years. I have three children, and five grandchildren with one on the way. Tasker is an MD at Brigham Womens and Childrens in Boston, specializing in anesthesia and pain management (which all us baby boomers really need!) and has three daughters. Matt is living in Brooklyn, NY with his wife and daughter. He is in audio post production in the movie business and was recently nominated for an Emmy for his sound design work on the nature show "Duckumentary." (spelling is right, a whimsical story about ducks!) And last but not least, my daughter Amanda is a professional glass blower, living also in Boston with her husband and daughter, 3 months old. So I have five granddaughters, but Matt and his wife are expecting a boy in December! After 46 years of marriage and living and working in the same community, life is full!

I departed school 2 weeks before the ending of the 11<sup>th</sup> grade....married my junior high school sweetheart, J.J. Harter, a "river rat" from Port Royal....we raised 4 beautiful children, all successful in their careers, awesome parents to our 12 grandchildren. I went back to night school and received by HS diploma, 12 years later.....J.J. and I divorced in 1989, but we remain the best of

friends. Lost my parents and 3 siblings. My career in accounting and banking has been rewarding. I am thankful for my family and friends....and I cherish the time we enjoy as some of our TW Class of 65 friends gather frequently. And my dream is to take art lessons and do the cover for my book I want to write..... I count my blessings. God is good and great to me and my family all the time.

After leaving Beaufort in the 1964, I attended UCLA and San Diego State University. After graduation, I took my degree in Dance and Art to New York City where I had a twenty-two year career in the field of 'Broadway, Film and Television'. I returned to Beaufort in 1996 as the Director of The Shed Center for the Arts. Now, when I'm not fishing, shagging or cruising the river with friends, I write short stories and novels, teach writing workshops and run writers groups. My husband, Paul Coffman [Class '63], and I currently have three, four-legged children. Brutus, Mia and Gabby. My novel, What We Set In Motion by Stephanie Austin Edwards, comes out this winter.

I attended USC for a short time then enlisted in the Marines and went to Vietnam; returning to continue my career as a programmer while attending Georgia State University. I have a son and two grandchildren from a previous marriage. I moved into managing data and telecommunications networks with The Coca-Cola Company where I met my wife, Susan. After retiring in 2000, I became a Master Gardener and spend my time refining my gardens with Susan and assisting others. I continued my running with the Corporate Track and Field Association until 1996.

I returned to the Lowcountry in 2001, completing four extra years of teaching at St. Helena and Lady's Island Middle before retiring. I enjoy the life with my husband, Howard, volunteering for Help Mobil Meals and writing. My little book of short stories has been published and I am working on another collection of stories set in Beaufort. I have two daughters, the one a teacher and the other an engineer and one grandson who will be part of the class of 2016. They all live afar claiming to be allergic to humidity!

I was born Carolyn Hartsfield in Taylorville, IL in 1947. Hartsfield International Airport in Atlanta

was named for my great uncle. In 1956, I was separated from my birth family. I traveled to Nieuport Plantation in Beaufort County, SC with Paul "Moose" and Ernestine Gordon. They adopted me in 1957. After graduating from Beaufort High School, I attended Winthrop College. I left in my junior year, moved to Charleston, got a job, married a Navy Submariner, and had a child. We moved from Charleston to Norfolk, VA. While there, I graduated from ECPI (Electronic Computer Programming Institute). This prepared me for a job as a systems analyst/computer programmer for Hanes Dye and Finishing Company in Winston-Salem, NC. I moved there with my son in 1973 after separating from my husband. Frank and I were married in 1979. I moved to Statesville, NC, and went to Mitchell Community College. With associates degrees in accounting and business administration, I went to work for a CPA firm. I later passed the CPA exam. Frank is retired, we live on a farm, raise beef cattle, and I have a CPA income tax return business.

I left BHS before our sophomore year. My parents sent me to a private school in South Georgia, where I also graduated from in May 1965. They thought it was the best thing to do, at the time (NO, I was not pregnant). I have maintained many BHS contacts through the years. I even attended your graduation. I married my marine and started a new chapter. Now after one son, Graham, and daughter, Janet, and two grandsons, we will celebrate our 50<sup>th</sup> anniversary in Beaufort, September, 2016 (Y'all come). A very special group of our Tidal Wave Class of 1965 make me wish I had never left BHS. They are also the same folks that make me feel as though I never did.

1965-1969 United States Air Force Academy-graduated June 1969-followed by pilot training. My 22 ½ year career in the AF started in Vietnam and ended in Desert Storm flying C-7, T-41, T-38, T-39 and C-141. After retiring to Beaufort in 1991, I began teaching career (19 years) teaching honors math at Beaufort High School. I was head of the math department, teacher of the year and selected for the BHS alumni Hall of Fame. I have been married to Cindy Black (class of 66) for over 45 years (the best thing that ever happened in my life). We have 3 married children with 6 grandchildren who all live in Beaufort.

After degrees in civil and environmental engineering from Clemson University and an Air Force ROTC commission, Betsy and I were married in 1969 in the smartest move I ever made. We spent four years in the Air Force with assignments in Mississippi and Ramstein, Germany. Returned to Greenville, SC for a 30 year career with engineering consulting firms there. Moved back to Beaufort in 2004 to take care of my dad and are now living in the house I grew up in. I worked with BJWSA for five years after returning to Beaufort, We have two sons, two beautiful daughters-in-law, and four wonderful grandchildren.

After graduating Beaufort High, I went to Southern Business University in Atlanta. A year later I got married to Hugh Quarles. In the following years, we had two sons, Brian and Todd. We moved from Atlanta to Houston, Dallas, and then to Naperville, IL (a suburb of Chicago) for sixteen cold years. We finally got back South in 1997 and lived in Hilton Head for 8 years, then a few years in Charleston, SC, then back to Atlanta. I spend a lot of time in Beaufort and hope to move back there in the future. Our oldest son, Brian, lives in Naperville with his wife, Cherie, and three children, Davis 14, Lucy 12 and Kennedy 8. Our son, Todd, lives in Philadelphia. They are all the light of our life!!!!

Beautiful Beaufort by the sea twenty-six miles from Yemassee. What a wonderful place to be. I was born in Utica, N.Y. to Mary E Brinson from Walterboro, S.C. and Albert G. Laliberte. My brother Lee was also born in N.Y. Dad was in the Marine Corps and we were first stationed at Cherry Point, N.C. where my sister Joanne was born. Dad was called to go to Korea and we moved to Walterboro, S.C. to be close to my grandmother. After Korea Dad got stationed at Parris Island and our lives became a part of Beaufort. We built a house and met many of my now Beaufort friends, that was in 1956. My mother had this great desire to catch fish, crabs and shrimp so we spent many weekends at the Broad River Bridge as it was being built at that time. I remember the Breeze Theater, Al's steak house, Luther's for ice cream and its booths that were at the front window overlooking Bay Street. There was a five and dime store, Lipstiz where my mother bought my shoes and the x-ray machine that could tell if the shoes fit well. Fordham's Hardware store where you could find almost anything and Hendrick's furniture store where we bought most of our furniture for our new house. Dad was stationed many times back and forth from Parris Island and MCAS Beaufort. We got stationed to Camp Pendleton in 1961. My brother Todd was born there and then in 1964 we moved back to Beaufort. We were so happy to be back. Lee and I graduated from BHS in 1965. I got my first job working at MCAS Beaufort Federal Credit Union and worked there until 1978 where I then worked for First Federal of Beaufort as Corporate Treasurer which merged with Palmetto Federal in 1982. I moved to Aiken S.C. as Corporate Treasurer of Palmetto Federal until 1986. I moved back to Beaufort to start my own business and then in 1991 was elected Treasurer of Beaufort County until I retired in 2011. I have two beautiful daughters, Mel (1973) and Evelyn (1976). I have two son-in-laws and five grandchildren. I was married twice, Kenny Logan, and then to the love of my life, Sam Smith, deceased. I remain in Beaufort and live on Huspah Creek overlooking the marsh and seeing the wildlife every day. Beautiful Beaufort by the sea! I love it!

After graduation I attended USC and started my career in banking. Upon marrying, I moved with my first husband to sunny South Florida! There I had my daughter, Dawn, and continued my long career in banking. Later in life I married my soul mate. Together we attended NASCAR races and shared many adventures. The past six months have brought major life changes as my husband passed away. I finally retired from my banking career where I had reached the position of SVP/Controller and moved to the "Heartland" of Florida, also known as Sebring, to be closer to my daughter, son-in-law and granddaughter.

Lives in the charming seaside village of Beaufort, SC. She first began to spun tales to her daughter and then to youngsters, oldsters and those in-between, weaving magic with enchanting yarns. She tells stories to entertain, educate, and pass on cultural heritage, but most of all for the joy of telling tales. With powerful vocal quality and stage presence, stories are delivered in a highly polished and yet down-home manner. It's the telling of chapters of her life along with inspirational, historical, fairy tales, legends and ghost tales that bring laughter, fun and imagination to her performances.

Since graduating from Beaufort High School I have experienced a life full of fun and adventure. Upon graduation from high school, I traveled with my Marine Corps family and lived in San Juan, Puerto Rico, Tennessee, Pennsylvania, Louisiana and finally settled in the great state of Texas. I began my career at State Farm Insurance and enjoyed 25 years with that company. While working full time, I attended Lamar University in Beaumont, TX where I obtained my Bachelor of Science degree in Criminal Justice. Although I didn't have a career in the field of Criminal Justice, completing my 4 year degree was a lifetime goal that I set and was proud to accomplish. I have been an active volunteer and supporter of many charitable events throughout my community for many years. I was the March of Dimes chairperson for State Farm for many years, volunteered for the Toys for Tots foundation, and currently serve as a volunteer for the Christian Care Center and community service through my church organizations. As an interesting side note, I have enjoyed living life to the fullest by doing things such as taking up tap and jazz as an adult and modeling for Dillard's Department Store. I am currently in my 5<sup>th</sup> year of traveling throughout the country working on the Production Staff for National American Miss, the largest teen pageant organization for young ladies in the country. I have always had a determined spirit and strong will. I am a fighter. This was most evident in my recent battle with breast cancer. With my strong faith in God,

the prayers and support of family and friends, along with the skilled hands of excellent doctors, I am proud to say I am in my 5<sup>th</sup> year of being cancer free. I am looking forward to a European trip next summer with my beautiful daughter, Michelle, of whom I am so proud. We both enjoy traveling and creating wonderful memories. I am excited to reunite and reconnect with many of my longtime friends.

I graduated from college in 1967. I got married to Johnny Klein in 1967 also. I had 3 kids (2 girls and 1 boy) and now have 3 grandchildren. I lost the love of my life on August 23, 2012. We camped a lot with our kids when they were out on their own, we started traveling all over the United States. Johnny died before we got to visit Key West. I with my cousin, Barbara Dowdy Daniels, and our friend spent a week in Key West last November. I have been to Canada and have plans to tour the famous Route 66 next fall. I visit Barbara often in Mobile, AL and I stay on the road as much as I can. My youngest daughter and my granddaughter are living with me now. I have a mini dachshund (Rusty) that takes care of me now. Also I have visited the Grand Canyon & Mt. Rushmore. I have found that the Gulf Coast has the sweetest shrimp. I have eaten at Lulu's in Gulf Shores and it was great. She is Jimmy Buffet's sister. Johnny and I were married for 45 years when he died. It has taken me a long time to get over his death. Barbara helped me a lot when he passed away and when I had breast cancer. It has been three hard years without Johnny, but I am trying to finish what he dreamed of doing, After visiting Route 66, I plan to visit the Outer Banks and from there, I will go where ever the road leads. I was born in Dublin, GA in March of 1947. In 1949 against my will, I was taken from the loving arms of my grandmother and brought to this little seaside town of Beaufort when the Beaufort Naval Hospital opened and provided jobs for my young parents. Eventually, I learned to love this town and the people in it. I enjoyed school and the birth of three siblings. I met my husband at the Baptist Church of Beaufort when I was a senior at Beaufort High. He had just graduated from Clemson. I headed to Winthrop College and he to Officer's Training School for the Navy and later Vietnam. After I graduated from Winthrop, we were married and returned to Beaufort to live. I began a teaching career at Beaufort High and worked with some of the teachers who had previously taught me. That was an interesting experience. Later, I taught adult education classes for the county and English at Beaufort Academy and TCL. Bruce and I have three adult children, Brett, Eric and Joy. We chose to bring them up here because we wanted the benefits of grandparents. And, now, years later, we are the proud grandparents of seven. It's been our pleasure to live in Beaufort all of these years.

I was born in Joplin, MO. I have one older brother and one younger. My dad was career Navy so we moved a lot. My dad was stationed on Parris Island as chief of Dental Services when I went to BHS. My claim to fame at BHS is that I played my junior and senior year on the boys' golf team. Mr. Hatcher was the coach. After graduating from BHS I went to Ottawa University, in Ottawa, KS and got my degree in Elementary Education. I taught 3 years there and then moved to Sapulpa, OK and taught 30 more. I always taught 1<sup>st</sup> or 2<sup>nd</sup> grade—love those little ones. In 1991 I got a Masters in Education degree from Oklahoma State University. Since retiring I have continued to work for the school system part time as Director of Latchkey (before and after school program for 4 elementary schools). I have been married for 30 years to Larry Higgs, an Optometrist here in Sapulpa. We have 4 kids, 3 boys and a girl. We have 6 grandkids, 3 boys-3 girls. Well, I'm not one of the "original" Beaufort kids, I moved there in 64, I think. Was kind of a nerd, not a jock. Worked at "The Shack" til I graduated, those were fun nights, when the Marines came in to show off in front of their girlfriends. We moved to Thompson, GA, the day after graduation. Enlisted in the Navy in 72, retired in 88, moved back to Denmark, SC. Had 2 kids, one of each, in the meantime now have 6 grands and 1 great grand. Worked at SRS for 21 years, before being shown the door in 2011, because of my age I guess, they must figure we lose our mind at 63! Best thing that happened. Just celebrated our 43<sup>rd</sup> anniversary, Sept. 1<sup>st</sup>. And on with life we go!

I was born in Beaufort and always wanted to leave. I left 5 times and have been back 40 years (I drank the water). I retired from Civil Service after spending 31 years at MCAS Beaufort as an Environmental Specialist, a tree hugger. I have two beautiful daughters that also live in Beaufort even after they lived and traveled all over Europe. My greatest treasure though is my two grandsons, 15 and 12, who both make honor role and have black belt and one belt shy of a black belt, respectively. Have volunteered in the past as Secretary of our neighborhood association and as a leader of the Volunteers for the Friends of the Library Beaufort. I love my church, the Baptist Church of Beaufort and try to help when I am able. Finally in 2000, I received a degree of Educational Specialist from the University of Alabama. My four children are: Michael Fuchs, a novelist in England, Sara, a librarian and mother of the two cutest boys in Atlanta, Danielle, a social worker in Atlanta, and Erin, a senior editor of news for The Business Insider in Manhattan, NY. Our family lived in New York, Atlanta, Puerto Rico, Dallas, TX and W. Hartford, CT. I have been happily married for 19 years to Jesse King, engineer and rocket scientist. I taught adult education, regular education and special education and always had a good story to tell at the end of the day. My most interesting position was in a jail teaching male inmates in an unguarded location. Happy 50<sup>th</sup> reunion to our outstanding class of Beaufort High School 1965.

I have been unemployed for a while, but I really enjoy having dinner with Kaye Pinckney, Pat Owings and Kathy Kolley during Kathy's hair visits to Beaufort; hanging out at the Backporch with Glenn and sometimes with Jody Henson, Louise Murray, Scherra Wallace, Anne Darby, Janet Dyches and Janie Stoor; and Glenn Rutter and Roy Reed visiting with me during the winter in Colorado to snow ski and more importantly taking me out to dinner every night during their stay. I do miss my good times with Randy Melvin.

After graduating from high school, Bob attended Virginia Military Institute followed by Medical College of Virginia, and fellowship at Walter Reed Army Medical Center, in tropical medicine. Bob is a practicing emergency physician, board-certified in Emergency Medicine and Internal Medicine. He is a fellow of the American College of Emergency Medicine and the American Academy of Emergency Medicine. He is a board examiner for the American Board of Emergency Medicine. Bob was a consultant in Emergency Medicine to the Surgeon General, an international consultant, and is published in numerous textbooks of Emergency Medicine. Bob retired as a decorated Colonel from the US Army Medical Corps, (after 21 years), where he served as a physician member of the elite anti-terrorist Delta Force during "Desert One" hostage rescue attempt in 1980. He also served in Desert Storm. He has had extensive travel worldwide while serving as an Emergency medical consultant for the US State Department, under President Reagan. He has written for and acted in several national television shows, including multiple appearances (11) on Untold Stories of the ER and (3) Sex Sent Me to the ER. Bob does medical stand-up ER comedy as a hobby as Funny ER Doctor with performances available on You Tube. He is the author of the best-selling book, The Battle Buddy Diet. You can see one of his first shows on Mythbusters=the exploding toilet. Bob is now working at Little Company of Mary Hospital, about 5 shifts/month. He has had almost three careers: over 20 years in the military, 20 years in private practice and TV and radio. He and his wife, Gayne (who is also a physician {cardiac anesthesiologist}), have been married almost 41 years and live in Palos Verdes Peninsula, CA. They are both level 1 Certified Gottman marriage counselors. They have two children, Tyner (34) and Cararayne (32). They also have a pug named Josephine and two desert tortoises. Bob enjoys playing tennis and plays about three times a week. Every winter since 1982, he and his family have vacationed and skied in Sun Valley, ID, where they have a condo. Tyner and Cararayne, both graduated from USC in business. Tyner formed a company called 24hrhomecares, and it now employs 3000 people, with 14 offices in three states (CA, AZ and TX). He has been listed in Forbes Magazine for the last 3 years in the top 25 businesses in the country. Cararayne is senior fashion designer at Element.com and resides in Newport, CA.

"...In Dixie's Land, where I was born in, early on one frosty mornin'...." December 17, 1946 at Cherry Point, North Carolina. Raised on or near U. S. Marine Corps bases like many of my BHS 1965 classmates. This taught us to be tough and flexible for life. I was fortunate to attend all four years of high school at Beaufort High. We were bused in daily from Laurel Bay. I was told by a graduating senior when I was in the eighth grade to enjoy high school, before responsibility hit. So I did enjoy high school. I was only absent two days in the ninth grade because of some flu. I didn't want to miss anything. We moved a few days after graduation to Camp Lejeune, NC. I did not want to leave Beaufort. I did not go to Northern Michigan University, as planned, because it was too far from Beaufort. I attended East Carolina College, at that time, in the evenings and worked at the PX during the day. And I visited Beaufort when I could. I met Hazen Culley at Camp Lejeune and we were married June 4, 1967, two years to the day after high school graduation. The

next thirty-seven years included two beautiful daughters, seventeen addresses, I finally finished my degree, and Hazen and I both had careers with State Farm Insurance. I retired Dec. 1, 2003 a couple weeks before our youngest daughter was married. Hazen retired the next May and we moved to beautiful Beaufort in July of 2004. So I came back as soon as I could. We love Beaufort and all the friends we have here. Many of our friends were friends I had in high school. Jody Henson and I have been friends since 1962 and now he and Anita are a big part of our lives. We are members of Carteret Street United Methodist Church and I'm active with my Circle. I've been a member of The Beaufort Garden Club since 2005 and held almost every office, except Treasurer. Hazen and I have been on Viking and Vantage European river cruises. We love the cruising, hate the flying. We are cruising again Oct. 18, for three weeks, from Lake Bled, Slovenia to Athens, Greece. Our oldest daughter, Carol, has two sons; Sam (11) and Jack (9). They live in Cumming, Ga. and Carol works for State Farm Insurance. Cadra, a year younger than Carol, moved here with her husband and son in 2007. So now we get to spoil William (9) every chance we get. Cadra is the art teacher at Lady's Island Middle School. So here we live in Dixie Land, enjoying life.

Married to Lee for 44 years and still working installing swimming pools. I will retired in March 2016. I have a 7 year old step granddaughter and a new grandson due November 1, 2015. I live on the water now and enjoy crabbing and shrimping off my dock. Still have horses and plan on starting back up with them after retirement. My son shows barrel horses and I plan on doing the same next year.

I had a 35 year career with Allstate Insurance. First in Beaufort, where my two children, Tyler and Tara, were born. In 1993, we moved to Greenville, where they married and gave me 4 beautiful grandchildren, Caroline 15, Ava 10, Georgia and Garrett (twins) 13. After a 45 year marriage, where we just grew apart, I was divorced. A year later, I married Skip, a wonderful man that I had known for years. We've been married 5 years and 2 years ago decided to move back to Beaufort. We have traveled a bit. The most memorable trip being a 3 week cruise where we visited 6 European countries.

Having no direction in life, ended up attending Palmer College at Charleston for two years. Still lost in the world, I ended up getting drafted in the army during 1968 and 1969. Ended up with the "Old Guard" protecting Presidents Johnson and Nixon from the racial riots and the war protesters, and also burying everyone coming back from Vietnam at the Arlington Cemetery in Washington DC. After graduating from the Baptist College at Charleston, started to work for my father at the First Federal Savings and Loans Association. Then five years later, he fired me because of management uprising, which the renegade management was using me to go against him. Before that happened, my first marriage got dissolved after I jumped into the pool with Candy Dobyns during our 10<sup>th</sup> reunion. During 1977, I got into my little MGB, and drove across and around the country. Ended up in San Francisco where I discovered it was a Mecca for straight single males. In San Francisco, where I finally found myself, found employment with a bond and money market division of a national bank dealing with US Treasury securities and municipal bonds. After about 5 years later, my boss' girlfriend wanted my job. After I tried for several years to make it in the financial planning business, my 2<sup>nd</sup> wife told me to get a real job. I took the CPA exam and passed

it all in one sitting. Started a CPA practice during 1996 in the financial district San Francisco, and sold the business last December 2014. The buyer is employing me to assist him with the CPA business and supporting my lifestyle residing in both San Francisco and Beaufort. Two children from the 2<sup>nd</sup> wife, daughter age 31 and son age 28. They both live in San Francisco.

Currently heavily involved with a girlfriend, Sue, who I met on a blind date in Columbia during the summer of 1963

I left my beloved Beaufort in 1967 and here's the short version of 50 years...I lived in Michigan, Maryland, Brasil...got married and divorced...had a beautiful daughter, and raised her in Michigan...and had a great life up "North." In 2010, I made a life changing decision. I took an early retirement from my college job, left Michigan after 43 years to move to New Jersey to be close to family. It's been quite an adjustment, but the only constant IS change, right?! I found an awesome job at Montclair State University at the Ben Samuels Children's Center. I've made a new circle of friends, tried some new hobbies (hiking, geocaching and kayaking) and have gotten to explore the Big Apple! Family is EVERYTHING and I absolutely adore spending time with my 3 grandchildren, Toby, Nate and Gabi. Life is definitely good!

It's hard to put 50 years into 100 words or less. After high school I found a passion in architectural design, received by degree from UGA, and worked at Fripp Island when it was developing, designed the fence for Marshlands which is a historical landmark, redesigned Wallace and Danner, Hendricks law offices, and several other projects around Beaufort. Did a "Turn of the Century" restaurant for Underground Atlanta; and then found another passion in teaching children with learning problems. Helped develop St. Peter's Catholic School. Was on the Board there and on the board of the Oron Society for Word Blindness. Managed to do both design and teaching until the school day became longer and longer. Was in Who's Who among American Teachers in 1992. Was Chairman of the Special Education Department for 13 years. Taught for 38 years and retired in 2008. Met my husband, Pete Flood, in 1974, got married in 1974, we have our son, David, born in 1976, and our daughter, Lisa, born in 1978. Lisa married and gave us two grandchildren,

Mountain Rose, born 2004, and Kaia Sol, born 2008. All our children live in Hawaii and are loving, caring and successful individuals. I divorced in 1997. Lived right here in beautiful Beaufort by the sea my entire life. So.....life has been good and life is good now. God bless us all and God bless the USA.

After high school I was in the first class of Associate Degree Nurses at USC. Graduating I then worked as a Registered Nurse for 5 years in the Operating Room of 4 different hospitals. Kathleen Miller and I shared a great year together in Family Planning at Beaufort County Health Department. Then I went back to Carolina for a BS in Education and a Masters in Public Health. Taught at Midlands Tech in Columbia first then on to the Baptist College in Charleston as a Project Director for a Federal Grant. A year later got married to the love of my life, Fred Whittle, who took me on a journey with the USMC thru Europe and Asia and 5 different US States before finally landing in our dream home on James Island, SC, looking out at Morris Island and Fort Sumter. We have one precious son, Wilkerson Wallace Whittle, who has brought us 20 years of great joy.

Hi y'all!

The day after graduating from BHS, I moved from Beaufort to Jacksonville, FL, where I attended Massey Business College, graduating with an Associates in Business. I moved to Charleston in late 1966. I met the love of my life in 1970. I eventually converted to Orthodox Judaism, and Eddie and I married in November, 1973. I worked as general manager and pharmacy tech with Eddie in our pharmacy on King Street until we closed the store in 1997. During that time we had two boys, Jeremy and Bradley. I now own and operate a third-party binding arbitration resolution company. I also do Kosher catering. I am the proud grandmother of Naomi (who lives in Beaufort), and a step-grandmother to Drake.

In memory of those who have passed.

You left us too soon and you are forever locked in our hearts and minds. You will never be forgotten. We know your spirits are with us as we celebrate our 50<sup>th</sup> Class Reunion. We will remember your laughter and joy during our school years. And we will remember our excitement at graduation in 1965 when we were filled with all the hopes and expectations of life. We hope that you reached your goals, that you had love and joy in your lives, and that you treasured your memories of BHS "Tidal Wave" as much as we treasured you. You all impacted our lives in ways that you never knew and we truly loved you.

Thank you Anne Darby Mobley
